SUMMARY

I am a student at Sekolah Tinggi Teknologi Terpadu Nurul Fikri, majoring in Informatics Engineering. A good learner and love to find and try new things in the field of technology and self-development. I have good communication skills, and experience working in a team.

EXPERIENCE

INTERNSHIP

Village Office

2 week - June

In my previous school, the graduation requirement was to take part in a 2-week internship. And this is what I did during my internship at the village office :

- Record population data
 - Registration population data
 - Buying office supplies
-

EVENT ORGANIZER AS STAFF VOLLEY COMPETITION

Astro 2024 at STT Terpadu Nurul Fikri

3 Month

In this event I learned a lot about how to be an event organizer. As a staff in one of the divisions, I trained a lot of soft skills by working together with staff from other divisions.
